

**Lung Cancer Awareness 5K
Recreation Park
Binghamton, New York
September 23, 2007**

The posted results reflect the 181 finishing runners and 3 fast walkers only. A big thanks to the many TCRC members who helped out at the finish line and along the course, as well as to Annette Acuff and her BU cross-country team, who were also out in full force along the course. It was certainly a beautiful, warm sunny day for a 5k.
