VESTAL XX: Alan Jones will help this year but it will be his last year. Talk regarding chip timing vs Rainbow scoring for the future. Will still give the Youth Award to a high school runner. Discussed inviting Katherine Switzer back for next year's race as it will be the 50th running of the Vestal XX.

COMMUNICATIONS: Ray reported that he has made minor cosmetic changes on the TCRC website that include changing some of the background colors and removing race logos which helps to load the page

faster. The scholarship page is closed. Ray created a Wednesday Track page on Facebook that includes volunteers. When googling the TCRC, the old links should not come up anymore. Ray is also working on TCRC history. Ray looked through 15 years of information that Alan Jones passed on. Alan also has an original copy of the by-laws. Would welcome any information/history that any members have to pass on.

MATT GAWORS: Discussed a Runsignup grant that awards up to \$10,000 to a runners club. Needs to know what current programs would benefit from this, our yearly operating budget, we have to state a club mission, why nominate our club.
