RRCA Women's Distance Festival 5K went well. A great turnout by runners and volunteers! A huge thank you to the many volunteers that helped out.

Still looking for a 2026 Vestal XX race director. Need to have a race director in place by January. Will look into the construction project dates as it will affect the run course. A possible cancellation of the race is possible if we cannot run the same course due to construction.

Discussion on possible QR code/Venmo payments for virtual payments.

Discussion on a possible BAE Community Grant. Dave informed the board that there are restrictions on how the money can be used. It cannot be used for races, social events or scholarships so a suggestion was made to use it for the TCRC youth shoe program. Ray will look at the application and will let Dave know if he needs any help filling out the application.
