

## Grand Prix Standings Information

The latest results include all marathon times, races, and volunteer credit that have been reported. If you have any additions, questions, or corrections, send them to [Greg Amend](#). Results will be finalized in early in the next calendar year.

To reduce possible scoring errors, participants are encouraged to register for each race with the same name. For example, use either Mike or Michael, but not both versions throughout the year. If your name changes during the year, please advise Greg to ensure proper credit.

Volunteer credit is required for completion of the Grand Prix. For more information, see the [TCRC Grand Prix Page](#)

The abbreviations used in the results for gender/category are: Female and Male Masters (40 and over, abbreviated FM and MM), F/M Veterans (50 and over, abbreviated FV and MV), F/M Youth (18 and under, abbreviated FY and MY), and everyone else (19-39, Female Other and Male Other, abbreviated FO and MO). Grand Prix awards are first based on total points and then on age group, as spelled out in the [Grand Prix Page](#)

Final Grand Prix results for previous years can be found on our [Race Results Page](#).
