

Pete Keyes Turkey Trot 8K

Binghamton, NY
November 24, 2011

The Thanksgiving Day 8K raised over \$3,000 for the 2012 TCRC Scholarship fund. We had 467 runners registered. Thank you to all who came out. It's a great way to start your Thanksgiving Day.

This run was not scored - we did not time everyone, and we did not put names/numbers into a data base. This was to be a holiday for the finish line folks. But Mark Hendley wanted to do some experiments with a chip timing system he's been developing. So Mark and Kara prepared 350 bibs with chips for most of the pre-registered. Mark then recorded the finish time for 309 of these 350. The other 41 of the 350 either did not start or the time was not captured. If your bib did not have a chip on it, we do not have a time for you.

Grace has completed the tedious process of appended names to numbers. Below are results with names for those who had chips. Thanks to Grace, Mark, and Kara for what we have.
